CERTIFICATE III SECURITY OPERATIONS

PRS30103

NSW Vocational
Education & Training
Accreditation Board

At Certificate III level a person is equipped with skills and knowledge to perform supervision duties, leadership and develop work teams in the operational area or control room in the security industry. Students successfully completing this course will be issued a Certificate III in Security Operations.

The proposed structure forms an integrated training and career pathway for security officers to the Certificate IV in Security and Risk Management.

WHO CAN ENROL?

- Applicants must have completed Certificate II in Security Operations (PRS20103)
- If doing this course as part of a traineeship, students must be employed for a minimum of 24 hours per week.
- Students need a level of English language both written and verbal to accurately collect and report information. A literacy test will already have been completed as part of the Pre-Licence course.

DELIVERY MODE

The training delivery will be flexible and delivered in a series of 3 hour sessions "off the job" in a face to face, classroom environment plus "on the job" monitoring and assessment visits.

Where applicable, industry examples and simulations will be used in training and assessment exercises, for assignments, discussions, and case studies.

COURSE CONTENT

13 units of competency are required for this qualification: 9 core and 4 elective.
