## Certificate III in Health Support Services (Cleaning)

Leading employers recognise the importance of the crucial role of support service staff in their organisations and the need for an ongoing formal training program.

Lennox Institute provides a nationally recognised qualification through accredited training and recognition for employees who carry out vital services in the industry.

In consultation with our clients Lennox compiles a program to include the most useful topics, grouping skills sets together to maximise development and ease of skills transfer back into the workplace.

### Training delivery

There are a number of flexible training delivery options available to you:

- 5-7 x 3 hour sessions delivered once a month.
- Block release to cover training in full or half day sessions.
- A combination of RPL assessment of current competency, training in recommended units and gap training as identified.

Training schedules will be arranged and set up in advance to suit your workplace requirements.

Early completion of traineeships may be applied for once training and workplace assessments have been completed.
